

Department of Plant Biology and Plant Biotechnology

Dr. Ambedkar Government Arts College (Autonomous), Chennai

1. Name of the Event : **National level One Day Webinar on “Green Synthesis of nanoparticles – A Futuristic Approach**
2. Event Start Date : **16.07.2020**
3. Number of Resource Person : One
4. Report Description : Over 232 participants representing different institutions from all over country, registered at this One day Webinar. In this webinar Dr. R. DEVIKA, Professor and Head, Department of Biotechnology, Aarupadai Veedu Institute of Technology, Paiyanoor as a Chief Guest and delivered a lecture on Green Synthesis of nanoparticles – A Futuristic Approach. Conclusion about webinar, It provided an overview of the green nanoparticles synthesis and characterization and also used in biological systems
5. Event End Date : **16.07.2020**
6. Report title : **National level One Day Webinar on “Green Synthesis of nanoparticles – A Futuristic Approach**
7. Details of the report : Enclosed in PDF format

Dr. Ambedkar Government Arts College (Autonomous), Chennai

Department of Plant Biology and Plant Biotechnology

National level One Day Webinar on “Green Synthesis of nanoparticles – A Futuristic Approach on 16.07.2020

“Green Synthesis of nanoparticles – A Futuristic Approach – Webinar Report

The first National level One Day Webinar on “Green Synthesis of nanoparticles – A Futuristic Approach” was organized by the Department of Plant Biology and Plant Biotechnology of Dr. Ambedkar Government Arts College, Chennai, Tamilnadu on 16.07.2020.

The Conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Green Nanoparticle synthesis and characterization and fulfill the lacuna found in the usage of nanoparticles. In the conference totally 232 participants were participated from all over India.

The Webinar started with welcome address by the Organizing Secretary of the Webinar Dr. G. Sampathkumar, Head, Department of Plant Biology and Plant Biotechnology, Dr.Ambedkar Government Arts College, Chennai and he narrated the aim and purpose of the Webinar.

Welcome Address by
Dr.G.Sampathkumar - Organizing Secretary and Head of the Department

The chief Guest of this function was introduced by Dr.P.Balaji, Asst Professor of the Department.

The webinar special address delivered by Chief Guest – **Dr. R. DEVIKA**, Professor and Head, Department of Biotechnology, Aarupadai Veedu Institute of Technology, Paiyanoor and she emphasized about the methods adopted for green synthesis of nanoparticles and techniques used for characterization of nanoparticles. Also she demonstrated about the applications of nanoparticles on the biological fields

Special address by

Dr. R. DEVIKA,

Professor and Head, Department of Biotechnology,
Aarupadai Veedu Institute of Technology, Paiyanoor

The participants are actively involved in the webinar and cleared their doubts with direct interaction with chief guest. Dr.A.Thangaraja, Asst. Prof. Dept of Plant Biology and Plant Biotechnology

delivered a vote of thanks to those who are involved in the smooth and successful conduction of Webinar. Over 232 delegates representing different institutions all over country participated in the one day webinar. The webinar was conducted both Googlemeet and live relay on YouTube also. The feedback was collected from all the participants and e-certificate was issued to all.

CHEMISTRY WEBINAR

International Web conference

The department of chemistry conducted International Webconference on “Recent trends in Scientific Research” on 3.8.2020 and 4.8.2020 in collaboration with Tamilnadu State Council for Science and Technology, Department of Science and Technology, Government of India. The inaugural Address was delivered by Dr. R. Srinivasan, Member Secretary, TNSCST, Chennai.

Dr. T. Mohandas, Professor, Central University of Tamilnadu, Dr. A. Ilangoan, Professor, Bharathidasan University, Dr. C. M. Raghavan, Aston University, Birmingham and Dr. K. Moovendran, Taiwan were the resource persons.

Dr. Ambedkar Govt. Arts College (Autonomous)
Vyasarpadi, Chennai – 39
Tamil Nadu, India

International Webconference on Recent Trends in Scientific Research
3rd & 4th August 2020

Organized by
Postgraduate and Research Department of Chemistry
In collaboration with
Tamil Nadu State Council for Science and Technology
Department of Science and Technology
Government of India

Dear academicians and researchers,
We are happy to inform you that we organize an International Web-conference on “Recent Trends in Scientific Research” on 3rd and 4th August 2020. The conference covers the following themes (but not limited to). You are welcome to participate/submit the abstract of your original research work for presentation in the conference.

Conference Themes

- Synthetic Chemistry
- Material Science
- Bioremediation
- Nanomaterials
- Polymer Composites
- Catalysis
- Conducting Polymers
- Chemical Kinetics
- Biochemistry
- Membrane Technology
- Biotechnology

Deadline Dates

- Abstract Submission: 31st July 2020
- Notification of Acceptance: 1st August 2020
- Registration: 1st August 2020
- Conference Dates: 3rd and 4th August 2020

Highlights

- Registration is free
- E- Proceedings of abstracts with ISBN Number
- E- Certificates for both Participation and Presentation
- Award E-Certificates for best oral and poster presentation

How to Register?

- Join our Telegram Group via: <https://t.me/joinchat/PSEoaEV7rY5F2QgnbPVcg>
- Registration link: <https://forms.gle/yooowZomAon3kq71r6>
- Prepare your abstract as per the template given below. (You can download the template and edit)
- Abstract Template: <https://drive.google.com/file/d/1WqRiU1we-BV7e5QmG51hgndSLtBL14/view?usp=sharing>
- Mail your abstract to dasac.chem2020@gmail.com
- For further queries, feel free to contact at: +919176613881 or foresaid mail ID

International Webinar on Medicinal Chemistry

The department of chemistry conducted International Webinar on Medicinal Chemistry on 5.6.2020 in two sessions. The main objective of this webinar is to motivate and create awareness about the applications of chemistry among students. Around 200 students and staffs from other city colleges attended this program. Dr. Sivakumar Ramadoss and Dr. Vinoth Kumar were invited to be the resource persons. Dr. Sivakumar Ramadoss spoke about the origin and causes of Cancer. Dr. Vinoth Kumar presented the environmental aspects that humans are exposed to.

Name of the event: Online Workshop on “Health and Teaching Skill Development”

Event Date: 01/07/2020

Number of Resource person: Two

Report Description:

The workshop was started with welcome address by Dr. C. Srinivasan, Head i/c and followed by technical sessions.

In Session 1, the resource person Dr. S. Sivakumar addressed on the current scenario of Covid-19 pandemic consequences. Further he explained how to fight against Covid-19 virus by improving the immunity of our body. He suggested some of siddha medicines for improving our body immunity and he explained how to make such siddha medicines at home. The participants were raised their queries on the topic and all were addressed by the resource person.

In Session2, G. Ramesh explained the most important tool of power point that help teachers for effective teaching both online and classroom. He addressed on how to use MS Power point for creating teaching videos, simple scientific animations, quiz, and teaching content creation. The resource person addressed all the queries raised by the participants.

No. of Participants: 291

Title: Metabolic reprogramming of cancer cells

Resource person I: Dr.Sivakumar Ramadoss, Associate Professor, Department of Obstetrics and Gynecology, David Geffen School of Medicine, University of California at Los Angels (UCLA).

Dr. Sivakumar Ramadoss spoke about the origin and causes of Cancer.

Session 2:Time: 1.00 pm - 2.30 pm

Title Advanced Analytical Technologies for Public Health Analysis

Resource person II: Dr. Vinoth Kumar, Associate Professor, Centre for Environmental Medicine and Department of Medicinal and Applied Chemistry, Kaohsiung Medical University, Taiwan

Dr. Vinoth Kumar a potential researcher in the field of health science presented the environmental aspects that humans are exposed to get affected.

Number of participants: 192

Details of Workshops/Seminars conducted

PG & RESEACH DEPARTMENT OF COMPUTER SCIENCE – EVENTS in Lock Down Period

Event Name: National Webinar on Easy Crack UGC NET/SET – Theory of Computation

Event Location: Google Meet

Date: 01-06-2020 & 02-06-2020

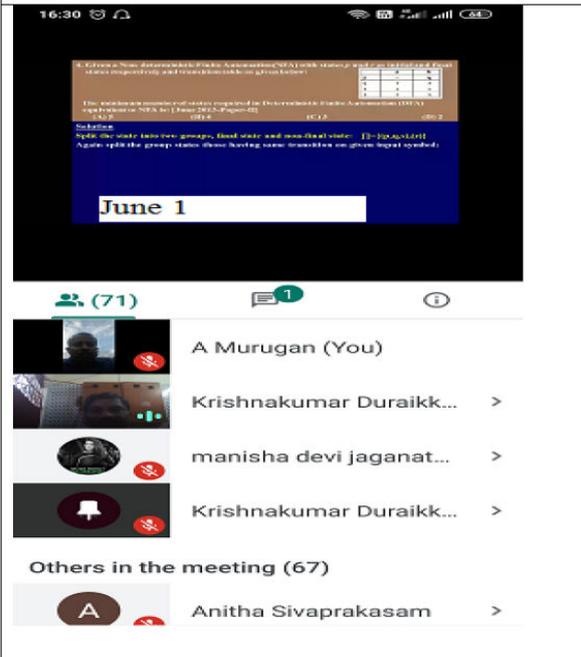

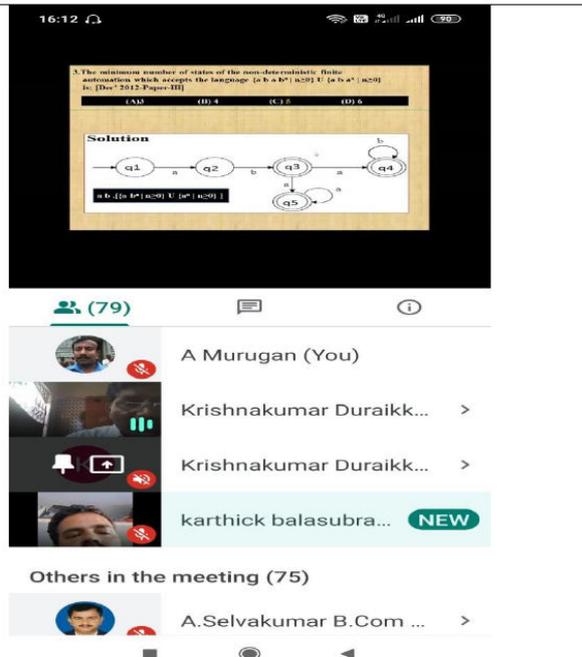

Number of Student Participated : 71 on day one and 79 on day two, from various colleges in Chennai city, Tamil Nadu and from various cities of India.

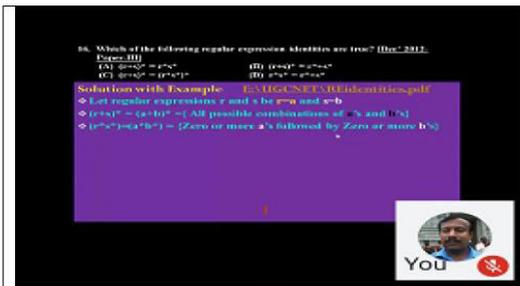

The Department of Computer Science organized the Second National webinar on **Easy Crack UGC NET/SET – Theory of Computation**. As soon as the registration is opened there are 320 candidates are registered within 3 hours and we stopped the registration. Even after that, we have received many requests over mail and whatsapp.

Since it's very difficult to conduct a webinar more than 100 participants, we have decided to conduct the webinar for two days. Also we request the people who have cleared the NET/SET examinations and Ph.D, not to join the webinar. So a total of 150 candidates joined and gained knowledge through the two days programme.

Mr D. Krishnakumar, Assistant Professor of Computer Science, Dr Ambedkar Govt. College acted as the resource person and he is having more than 25 year of teaching experience. He handled the webinar in an excellent way and discussed the questions and answers in one of a hard subject in Computer Science – Theory of Computation.

The talk is very informative and all the participants are very happy on the class.

EVENTS in Lock Down Period**

Event Name: National Webinar on Effective Visualization Techniques on COVID-19 Dataset using Bold-BI

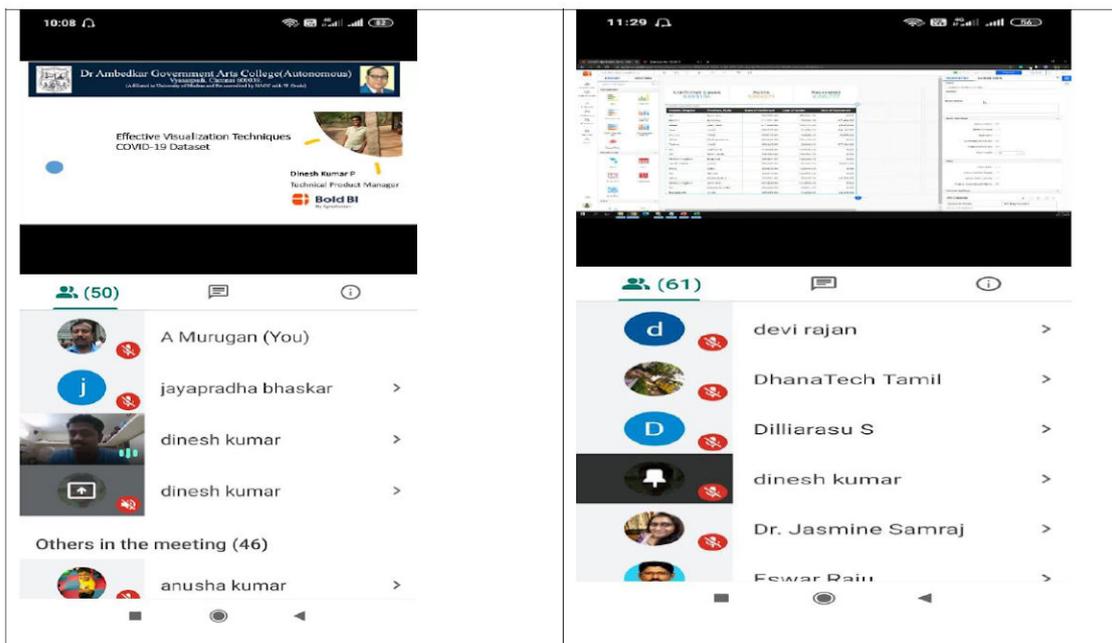

Event Location: Google Meet

Date: 21-06-2020 10.00-12.00

Number of Student Participated: 62 from various colleges in Chennai city, Tamil Nadu and from various cities of India.

The Department of Computer Science organized the fourth National webinar on **Effective Visualization Techniques on COVID-19 Dataset using Bold-BI**

Mr. Dinesh Kumar Prabhakaran, Technical Product Manager, Syncfusion Software, Chennai acted as the resource person and he has more than 7 year of Industry experience. His actual work started a day earlier where he included the mail-id of all the registered participants in Bold-BI tool and shared a Dataset for the audience to use it. The presentation starts with a brief on Data Visualization and its major role in current situation with various examples. He also gave hands on experience on Bold-Bi, a visualization tool on covid-19 Dataset. As the tool is a commercial tool he agreed to extend his support to use the tool over a period of one month, so that, the participants could get a real exposure over the tool. At last he concluded the session with a video depicting the power of Visualization. His session was informative and interesting and made the participants kindle their interest over Data Visualization.

A REPORT ON ONE DAY INTERNATIONAL WEBINAR [29/8/2020]

A One Day International Webinar on the theme “Does Pronunciation Matter?”

was organised by the Post Graduate and Research Department of English, Dr.Ambedkar Government Arts College,Chennai on August 29, 2020. The Guest Speakers are **Dr. Dolores Conroy**, Research Scientist, Department of Ophthalmology, University College London Institute, UK, **Dr.Syamala Sasidharan** (Rtd Prof of the IOE, Trivandrum, Kerala, Author of textbooks), **Mrs. Srabantika Dasgupta** Newham Adult Learning Service, Beckton, Globe, 1 Kingsford Way, London E6 5JQ, **Mrs.Radha Ramakrishnan**, Data Manager, Ornate India, UK and **Mrs. Nallini Olivannan**, COO of Emerald Publishers, Chennai. Ms. V.K.Smitha, Assistant Professor of English welcomed the gathering and **Dr. R. Srividya**, Head and Associate Professor of English introduced the speakers of the Plenary Speakers after briefing the concept and significance of the topic. The Guest speakers laid stress on the need to speak in simple, clear and understandable English. The participants benefitted from the Question and Answer session that followed their talk. Mrs. Savitha Bhuvanewari, Assistant Professor of English proposed the vote of thanks. Two paper presenters shared their research on Speaking Skills. **Mrs. Gayathri**, Assistant Professor, Shri Shankarlal Shashun Jain College, Chennai presented her paper titled, “Indian Dialectical Influences- Some Interesting Observations “ and **Mr. V. Mainar** presented a paper titled “Pronunciation Beautifies the Language”. 73 participants that included our Major students and staff from other colleges attended the event.

Department Of Psychology

Webinar Report

The Department of Psychology, Dr. Ambedkar Government Arts College, organized a webinar with the objective of how to lead a healthy life by changing the unhealthy practices with the help of improving the environment. The Title of the webinar is “Viruses do not discriminate... should we? From Pandemic to a better Normal. Dr. Sultan Ahmed Ismail, Adviser & Former Director of Eco Science Foundation is the Resource person of the webinar. Using Zoom Platform Webinar started with an invocation of Thamizhthai Vazhtu, followed by the welcome Address, by Dr. H.Sai Geetha, Head & Organizer of the webinar, Department of Psychology, Dr. Ambedkar Government Arts College.

By focusing on the objective, Dr. Sultan Ahmed Ismail highlighted the nature and causes of pandemic and stressed the importance of natural things in the world. He also provided the ways of improving the available resources and utilising it at its maximum value. Around 150 participants registered for the webinar.

The session ended with a round of discussion and vote of thanks by Mrs,Gandhijayanthi, Guest Lecturer, Department of Psychology, Dr. Ambedkar Government Arts College.

PROGRAMME DETAILS

DAY 1

Wednesday, July 08, 10.30am-1.30pm

"Essentials of Molecular Techniques in life sciences for research and career"

Dr.V. Naveen Kumar
Director
Immunogenix Biosciences Pvt Ltd, Chennai

"Ex vivo and in vivo Techniques used for exploring the Immuno pathogenesis"

Dr.H.Shakila
Professor & Head
Department of Molecular Microbiology,
School of Biotechnology
Madurai Kamaraj University, Madurai.

"Techniques in Basic and Applied Immunology"

Dr.V.Aravindhan
 Assistant Professor Department of Genetics
 Dr.AL.Mudaliar Post Graduate Institute of Basic Medical
 Sciences
 University of Madras(Taramani Campus),
 Chennai.

" Biopharma Industry – Academia Expectations"

Dr.Kadalmani Krishnan
 General Manager,
 Project Management
 Levim Biotech, TICEL Bio park Phase
 Taramani, Chennai

"Phyto-fingerprinting-A HPTLC approach for Ayurvedic Medicine"

Dr.Suresh Govindan
 Research Head
 AVN Ayurveda Formulations Pvt Ltd,
 Madurai.

"Advances in Regenerative Medicine and Tissue Engineering: Innovation and Transformation of Medicine"

Dr.Prithviraj Nagarajan
 Research Scientist
 Aarupadai Veedu Medical College and Hospital
 Vinayaga Mission Research Foundation,
 Puducherry.

"Rare Earth metals as efficient antimicrobes- An overview"

Dr.L.Lekha
 Lecturer, Applied Science Department
 Higher College of Technology
 Ministry of Manpower,
 Muscat, Sultanate of Oman

Dr. Ambedkar Government Arts College (Autonomous)
Vyasarpadi, Chennai – 600039,
Tamilnadu

(Affiliated to the University of Madras)
Post Graduate and Research Department of Zoology
in Collaboration with
The Indian Science Congress Association

NATIONAL FACULTY ENRICHMENT PROGRAMME ON
“DIGITAL TECHNOLOGY FOR TEACHING OF LIFE SCIENCES AND HUMANITIES”

For faculty members of Life Sciences, Humanities and Research Scholars

21- 25 July 2020, 10.30am -1.15pm

PROGRAMME MODE:

The programme was webcast through zoom meet and you tube

The number of participants in ZOOM MEET -100 and YOU TUBE – 460

Objective of the Programme

The corona virus pandemic is forcing global experimentation with remote teaching. There are many indicators that the crisis is going to transfer many aspects of life. Education could be one of them, if remote teaching proves to be a success. A lot of teachers around the world are in a new situation right now trying to find out how effectively online teaching can be initiated to support students. This Enrichment programme is expose the digital platforms and ICT enabled teaching methodology to teachers for remarkable determination to provide students with lectures, seminars and tutorials.

Day 1 Tuesday, 21 July '20

"ICT in Life Sciences and E-Content Creation"

Dr. Pragati Rastogi
Associate Professor
Department of Zoology
Meerut College, Meerut, Uttar Pradesh

"Digital Tools for Video Content Development"

Dr.S.Nirmala Devi
Assistant Professor
Department of Computer Science Government Arts and Science College
Komarapalayam,
Nammakal

Day 2 Wednesday, 22July'20

"ICT Tools for Effective Understanding of Analytical Techniques"

Dr. P. Gayathri
Assistant Professor (Biochemistry)
Department of Crop Management
Vanavarayar Institute of Agriculture
Manakkadavu,
Pollachi

"Research Indicators and Predatory Journals"

Mr.J.Arumugam
Librarian
PSG College of Technology
Peelamedu, Coimbatore

Day 3 Thursday, 23 July'20

"Course Content Creation through Moodle"

Dr. Vishwanath Bite
Assistant Professor
Department of English
Government of Maharashtra's
Rajaram College,
Kolhapur,
Maharashtra

Day 4 Friday, 24 July'20

	<p>"Online Assessment Tools"</p> <p>Dr.Suneel Kumar Duvvuri Assistant Professor Department of Computer Applications Government College (Autonomous) Rajahmundry, Andhra Pradesh</p>
	<p>"Online teaching of life Science Practicals"</p> <p>Ms Albina Jerome, Assistant Professor Department of Zoology, Stella Maris College, Chennai</p>

Day 5 Saturday, 25 July'20

	<p>"Tools for ICT Enabled Teaching"</p> <p>Dr G.Ramesh Assistant Professor Department of Chemistry Dr.Ambedkar Government Arts College, Vyasarpadi, Chennai</p>
	<p>"Use of digital platforms to manage classes"</p> <p>Dr Amritha N, Assistant Professor Department of Zoology, Stella Maris College, Chennai</p>
