**Dr. AMBEDKAR GOVERNMENT ARTS COLLEGE,(AUTONOMOUS)**  
**VYASARPADI, CHENNAI – 39**  
**PG & RESEARCH DEPARTMENT OF COMMERCE**  
**M.PHIL (COMMERCE) - BOARD OF STUDIES MEETING - RESOLUTIONS**  
**Date of Meeting: 11<sup>th</sup> June, 2019**

**The following resolutions were passed and approved in the meeting:**

- (a) Resolved that the draft syllabus proposed for M.Phil. by the Dept. of Commerce are discussed and approved for the students admitted from the academic year 2019-2020
- (b) Resolved that the draft syllabus will offer exposure on job oriented skills and train students to work on business related problems.

The following are the highlights of the changes introduced in the syllabus:

1. Total credits for M.Phil. Course will be 36 credits
2. The board strongly recommends that separate Computer Lab is to be offered to Commerce Dept. to introduce computer oriented practical subjects(Tally, Computerised Accounting, Accounting software and Business models)

**Dr. Ambedkar Government Arts College (Autonomous)**

**Department of Statistics**

The Board of studies meeting held on 10.06.19 in the department of Statistics. After a brief discussion, the following suggestions were given by the panel members to incorporate in the syllabus for the academic year 2019-2020.

For Major Practicals to B.Sc., Statistics students following are the recommended portions in TANSCE syllabus:

1. Numerical problems involving determination of marginal and conditional probability distribution for discrete random variable.
2. Drawing random samples of size not exceeding 25 from Normal population with known mean and variance using random number tables.
3. Algebraic operations of matrix of order  $p \times q$  ( $p, q < 4$ )
4. Determination of the rank of the order  $p \times q$  ( $p, q < 4$ )
5. Inverse of a non-singular matrix of third and fourth order by (i) sweep out method (ii) partitioning of matrix method.
6. Solutions for system of linear equations
7. Determination of characteristic roots and characteristic vectors
8. Verification of Cayley Hamilton theorem
9. Mathematics for Statistics paper I and II for allied changes to Mathematics for Statistics and Real Analysis and Matrix Algebra. Weightage is given equally to real analysis and matrix concepts for Real Analysis and Matrix Algebra paper. Mathematics concepts Integration, differentiation, Weightage will be more in Mathematics for statistics
10. As Non major elective is opted for other discipline students, we introduce NME – I as Introductory Statistics and NME- II as Statistics in Real Life.
11. For BBA students, as recommended by TANSCH, the name of the paper is changed to Business Statistics for Allied – III and Quantitative Methods for Allied – IV
  - (i) In Business Statistics Unit – V, Extrapolation and Interpolation is removed and Add the Theory of Attributes.
  - (ii) In Quantitative Methods Concept of sampling And Large sample theory is included for the benefit of PROJECT for BBA students.
12. For B.com students introducing Operations Research as a separate paper in Allied- IV and Business Statistical Methods as Allied – III
13. For M.Com students Operations Research paper is introduced. Statistical Quality Control concept is added, separate unit for game theory. Sequencing problems with 2 machines only and Network analysis together in separate unit. Transportation and Assignment problem in one single unit. Optimality for Transportation should be included. Dual simplex can be eliminated.

14. Quantitative Techniques for M.Com students: in Unit – I specify measures of central tendency, dispersion. In Unit-II include fitting and testing the Goodness of fit. Include Large sample test in Unit-III. Remove time series in Unit-I. Unit – IV needs to be revised.
15. Statistical Decision Theory included as a separate unit along with Interpolation and Extrapolation for M.Com students.

**DEPARTMENT OF BUSINESS ADMINISTRATION**

**Minutes of the meeting of Board of Studies in B.B.A.(Financial Management)**

Meeting of the board of studies for Bachelor of Business Administration was held on 10<sup>th</sup> June 2019 at 10.30 AM in the Department of Business Administration.

- The curriculum was revised based on the guidelines laid down by Tamilnadu State Council for Higher Education (TANSCHE).
- The members of the board discussed the course syllabus in details and incorporated necessary changes.

The following are the highlights of the changes introduced in the syllabus.

- Total Credits for BBA course will be 144 credits.
- Fundamental of Event Management Paper is introduced as a core paper.
- In Semester VI, Logistics management to be offered instead of business model paper.
- The following papers can be offered as NME for other department students.
  - ✓ Basic Concepts of Management
  - ✓ Consumer Protection and Consumer Rights
  - ✓ Basics of Investment
  - ✓ Tourism Management
  - ✓ Retail Banking
  - ✓ Banking Practice.
- GST concepts to be included in Business Taxation Paper.
- IRDA concepts to be added in Insurance Principles and Practice paper (Semester VI).
- Certification courses (2 Credits) can be offered for the department/other department students.
- The board strongly recommends separate Computer Lab for the department in order to introduce Computer Practical subjects (Tally, Accounting Software, Business model and other software's) in the future.
- This syllabus is approved and decided to implement it with effect from the academic year 2019-2020 onwards.

**Minutes of the Meeting of Board of Studies in B.Sc., Plant Biology and Plant Biotechnology**

- Meeting of the Board of Studies in Plant Biology and Plant Biotechnology was held on Monday, 10<sup>th</sup> June 2019 at 11.00 AM in the Department of Plant Biology and Plant Biotechnology.
- The Curriculum of B.Sc., Plant Biology and Plant Biotechnology, Allied Botany, Non Major electives and Environmental Science were revised based guidelines laid down by Tamilnadu State Council for Higher Education (TANSCHÉ)
- The members of the Board discussed the course content in details and incorporated necessary changes.
- The following are the highlights of the changes introduced in the syllabus
  - The family Solanaceae and Economic botany introduced into Plant Taxonomy
  - Environmental studies subject shifted from IV to III semester
  - Value based education subject shifted from V to IV semester
  - Introduced Silva classification and restructured the unit, based on the morphology of organism and also added economic importance of Algae.
  - In Mycology and Lichenology paper, was revised the economic importance of fungi unit
- This syllabus is approved and decided to implement it with effect from the academic year 2019-20 onwards.

**DEPARTMENT OF HOME SCIENCE – NUTRITION, FOOD SERVICE  
MANAGEMENT AND DIETETICS**

**MINUTES OF THE MEETING OF THE BOARD OF STUDIES –B.SC NUTRITION,  
FOOD SERVICE MANAGEMENT AND DIETETICS**

- The meeting of the board of studies in Department of Home Science – Nutrition, Food Service Management and Dietetics was held on 10<sup>th</sup> June 2019 at 10 AM in the department at Dr. Ambedkar Government Arts College.
- The syllabus was revised based on the guidelines laid down by Tamil Nadu State Council for Higher Education.
- The syllabus of the parent university and its suitability to the course offered in the college was considered.
- The members of the board discussed the course content in detail and deliberated on the changes incorporated.

The following are the changes introduced in the syllabus,

| S.NO | CHANGES                                                                                                                                         | JUSTIFICATION                                                                                                                                    |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.   | Microbiology in the first semester was replaced with Food Preservation and Processing                                                           | As per TANSHE guidelines. This was done to provide job opportunities for both boys and girls in food preservation, processing industries         |
| 2.   | The family Meal Management paper in semester II was renamed as Nutrition through family cycle                                                   | As per TANSHE guidelines.                                                                                                                        |
| 3.   | In the previous syllabus, nutrition was offered as two papers in semester III and IV. Now, it is offered as one paper                           | As per TANSHE guidelines. Instead of nutrition II interior design from semester was brought to semester VI.                                      |
| 4.   | Clinical nutrition has been introduced as new paper in semester V.                                                                              | As per TANSHE guidelines. This paper will provide job opportunities as well as higher education opportunities in clinical nutrition and in labs. |
| 5.   | In Semester VI diet counseling has been newly introduced and replaced the paper food preservation which is now introduced in the first semester | Diet counseling is very important subject for students pursuing jobs in community nutrition and healthcare                                       |

| S.NO | CHANGES                                                                                                                                                                       | JUSTIFICATION                                                                                                                                                                                                                              |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6.   | Non major electives have been newly introduced as it will be offered to students of other departments<br>NME 1. HEALTH AND PHYSICAL FITNESS<br>NME 2. FOOD SAFETY AND HYGIENE | These papers have practical relevance and are of critical importance for healthy living. Imparting basic knowledge about health, physical fitness, food safety and hygiene. Will surely enhance the overall health profile of the students |

### Suggestions by the members

1. Food science – The course content present in the syllabus drafted in 2017 appears to more relevant and may be retained
2. In the Food Preservation paper in semester 1, practical demonstration is required
3. Health and physical fitness- “ Exercise Physiology, Physical and Sports Nutrition” by Dr.Suganthi to be included in the references.
4. The paper Nutritional Assessment can be replaced with the paper Diet Counseling as many aspects of nutritional assessment are covered in community nutrition.
5. Clinical Nutrition – related laboratory techniques to be included and students may be sent to a lab for practical clinical laboratory exposure.

The units can be as follows :

Units I- Digestive System and related test

UNIT - II Liver Disorders and Liver Function Test

Unit – III Renal disorders and renal function test

Unit - IV Metabolic disorders

Unit V- cardiovascular disorders, clinical signs and related test

6. Interior design –

The principles of design in Unit I to be elaborated

In unit II color systems – Prangs, Munsell and color psychology can be include

7. Physiology – Sense organs may be deleted. In practical, the first practical can be removed ( related to tissues )
8. Therapeutic Dietetics – The sub units food allergy and congestive cardio failure may be removed for the under graduate course .  
Under Weight may be included.  
Cancer – causes of cancer to be included.
9. Therapeutic dietetics- theory and practical may be shifted to semester IV and nutrition practical can be brought to semester VI.

10. In the two core papers Quantity food production and service and food service management it was suggested that the contents of the syllabus framed in 2017 is relevant, coherent, and appropriate and may be retained.
11. The textbook Food Service Management by Dr A. Suganthi can be included in the reference.
12. In Textile science –
  - Unit I – sewing threads may be deleted.
  - Unit – III may be limited to manufacturing process and properties of selective fibers such as cotton, silk, wool, polyester.
  - Unit –IV- sequence of spinning process may be removed and steps in processing of cotton yarns may be included
  - Unit –V- Basic weaves alone may be included
13. Human nutrition – Unit I – malnutrition – types and symptoms to be specified
14. Unit –II – review of digestion, absorption and metabolism of carbohydrates may be deleted
  - Dispensible and indispensable amino acids may be removed
  - Unit –III – can be revised as follows
  - Units of energy, definition, gross calorification value and physiological fuel value; thermogenic foods (SDA), determinants of energy value of foods, direct method –Bomb calorimetry, human respiration chamber, indirect method- benedict's Roth calorimeter. Basal metabolism – definition, factors affecting, determinants of total energy requirements.
- 15 Biochemistry – The syllabus framed in 2017 may be retained as it is more coherently presented. a few changes may be include d
  - Unit 2 Properties of amino acid isomerism and amphoteric and isoelectric pH can be deleted
  - Unit IV- Part b – related to mitochondrial electron transport chain may be deleted
15. Family Resource Management – The old syllabus ( 2017)contents may be retained
16. Human development- In unit 1 – History, multidisciplinary scientific nature scope of human development can be replaced and concepts and importance of human development can be included.
  - Under unit III – breast feeding weaning and supplementary foods can be removed. The sub head need for children etc. can be removed
  - Adulthood –Physical and emotional development to be included. Stress coping with family and workplace to be included. Adjustments in old age to be included

**DEPARTMENT OF CHEMISTRY**

**Minutes of the Meeting of Board of Studies in B.Sc., CHEMISTRY**

**Date :** 12. 06.2019, Wednesday

**Time :** 10.00 a.m.

- The Curriculum was revised based guidelines laid down by Tamilnadu State Council for Higher Education (TANSCH)
- The members of the Board discussed the course content in details and incorporated necessary changes.

**The following resolutions were adopted in the meeting**

RESOLVED that the draft syllabi proposed for B.Sc., Chemistry by the Department of Chemistry were discussed and approved with the following changes and decided to implement the same for the students admitted from the academic year 2019-2020.

- Environmental studies subject shifted from **IV** to **III** semester
- Value based education subject shifted from **V** to **IV** semester
- Volumetric analysis lab is retained in I year and Qualitative analysis lab in II year.
- Based on the importance of Organic analysis lab, it is recommended to retain the same in III-year course of study.
- Practical Examinations to be conducted at the end of Even semester as per the regulations of University of Madras.
- For Elective subjects Analytical Chemistry and Pharmaceutical Chemistry new topics were introduced and Polymer chemistry is introduced in place of Agricultural Chemistry.

**Dr. AMBEDKAR GOVERNMENT ARTS COLLEGE, (AUTONOMOUS)**  
**VYASARPADI, CHENNAI - 39**  
**PG & RESEARCH DEPARTMENT OF COMMERCE**  
**B.COM (GENERAL) - BOARD OF STUDIES MEETING - RESOLUTIONS**  
**Date of Meeting: 11<sup>th</sup> June, 2019**

**The following resolutions were passed and approved in the meeting:**

- (a) Resolved that the draft syllabus proposed for B.COM., by the Dept. of Commerce are discussed and approved for the students admitted from the academic year 2019-2020
- (b) Resolved that the mandatory areas of subjects recommended by the TANSCHIE is incorporated in the syllabus.
- (c) Resolved that the draft syllabus will offer exposure on job oriented skills and train students to work on business related problems.

The following are the highlights of the changes introduced in the syllabus:

1. The curriculum was revised based on the guidelines laid down by the Tamilnadu State Council for Higher Education (TANSCHIE)
2. Total credits for B.Com., Course will be 144 credits
3. Business taxation subject is introduced in Semester VI which includes recent developments in tax like GST, SGST, CGST etc.
4. The board strongly recommends that separate Computer Lab is to be offered to Commerce Dept. to introduce computer oriented practical subjects (Tally, Computerised Accounting, Accounting software and Business models)

**MINUTES OF THE MEETING OF BOARD OF STUDIES IN M.Sc. MATHEMATICS**

**Date of Meeting: 10<sup>th</sup> June 2019**

- (a) Resolved that the draft syllabus proposed for M.Sc. (Mathematics) by the Department of Mathematics for the students admitted from the academic year 2019-20 has been discussed and approved.
- (b) Resolved that the mandatory areas of the subject recommended by the TANSCHC are incorporated in the syllabus.
- (c) Resolved that the draft syllabus would impart an in-depth knowledge and insight to the subject, will offer exposure to job oriented skills and to work on business related problems.

The following members were present in the M.Sc. Board of Studies meeting held on 10<sup>th</sup> June 2019.

| <b>S. No.</b> | <b>Name of the Member</b>                          | <b>Designation and Institution</b>                                                                                                                                         | <b>Signature</b> |

**MINUTES OF THE MEETING OF BOARD OF STUDIES IN B.Sc. MATHEMATICS**

**Date of Meeting: 10<sup>th</sup> June 2019**

- (a) Resolved that the draft syllabus proposed for B.Sc. (Mathematics) by the Department of Mathematics for the students admitted from the academic year 2019-20 has been discussed and approved.
- (b) Resolved that the mandatory areas of the subject recommended by the TANSCHC are incorporated in the syllabus.
- (c) Resolved that the draft syllabus would impart an in-depth knowledge and insight to the subject, will offer exposure to job oriented skills and to work on business related problems.

The following members were present in the B.Sc. Board of Studies meeting held on 10<sup>th</sup> June 2019.

| <b>S. No.</b> | <b>Name of the Member</b>                          | <b>Designation and Institution</b>                                                                                                                                         | <b>Signature</b> |
