NSS Unit I & II

Activities for the academic year 2022 - 23

INDEPENDENCE DAY:

On account of 75th Independence Day NSS unit organized two competitions Singing and Oratorical for the students on 10th August 2022. Many students participated enthusiastically, and prizes were distributed in the Independence Day.

NATIONAL GIRL CHILD DAY:

“ A world without girl is as impossible as a world without water”. Therefore, every year National Girl Child Day is celebrated on January 24 to raise awareness to promote the rights, education, health and nutrition of the girl child across the country. On account of National Girl Child Day NSS units organized two competitions for the girl students of the college.

MEHANDI COMPETITION:

The Mehendi competition was a vibrant showcase of artistic talent. Participants demonstrated their skills in intricate designs and patterns, reflecting both tradition and innovation. More than 60 students actively participated. The participants' enthusiasm and

dedication were evident in their beautiful creations. The Mehendi competition highlighted the significance of cultural art forms in celebrating girlhood.

FACE PAINTING COMPETITION:

The Face Painting competition added a colourful dimension to the event. Participants transformed faces into captivating canvases, using a wide array of colours and themes. The imagination and artistic flair displayed by the participants were truly commendable. Through this competition, the participants conveyed messages of empowerment, strength, and women's facing problem in the society.

Principal Dr. R. Sumathy madam motivated the students by making her presence in the both competitions. Mrs. K Gokila, Assistant Professor, Department of Statistics and Dr. Lakshmi, Assistant Professor, Department of Chemistry were judges for the same.

Golden Jubilee Celebrations –(1973-2023)

Department of Physics – Science Club

National Science Day Celebrations-2023

Theme of NSD 2023: Global Science for Global wellbeing

National Science day is celebrated every year on 28th February to commemorate the invention of the Raman Effect in India by the Indian Physicist, Nobel Prize Laureate, Sir Chandrasekara Venkata Raman. We all know him by the name Sir CV. Raman. We all are abide to honour our Indian Physicist who carried out ground-breaking work in the field of light scattering that earned him the Nobel Prize for Physics in the year 1930.

To commemorate National Science Day and also to encourage students to understand the aspects of Science and to create an interest in it, the Department of Physics planned to organise Interdepartmental Competitions.

The events are as follows:

Event 1:

Name of the event: National level Online Quiz on “Basic concepts of Spectroscopy”

Online quiz conducted by the Department of Physics

Event start date: 25th February 2023

No registration fees

- Number of participants: 100 per day
- On successful completion of the quiz, participants scoring 50% and above will receive e-certificate of appreciation through their registered e-mail id
- Registration: Google Form

Event end date: 27th February 2023

No. of participants: 210

Event 2:

The department announced for various competitions. We received very good response from students of other departments and within the department.

Essay Writing: Sir.C.V.Raman - The Pioneer of Modern Science in India

Oratorical: Global Science for Global wellbeing

Poster: Inventions of Sir C.V.Raman

Students from various departments actively participated in all the events.

Students participation in Essay writing held on 27-02-2023

Participant in oratorical competition

Students preparing their posters

Event 3:

National Science Day Seminar was organized by the Department of Physics on 28th February 2023. The programme started at 10.00 am with Invocation as P.Durga of II-B.Sc Physics compired . Welcome Address was given by Dr.D.Subashini, HOD of Physics . Our Principal Dr.R.Sumathi gave Presidential Address and this included the importance of science day.Dr.M.Arivanandhan, Professor Centre for Nanoscience and Technology,Anna University, Chennai was the Chief Guest of the Programme.He delivered a Lecture on “Raman Spectroscopy – an effective and unique tool for material characterization”.

DR. AMBEDKAR GOVERNMENT ARTS COLLEGE (AUTONOMOUS), VYASARPADI, CHENNAI-39

PG & RESEARCH DEPARTMENT OF MATHEMATICS

Event Name	: Maths Exhibition for School Students.
Date	: 02.02.2023
Time	: 9.00 a.m to 5.00 p.m
Event Location	: RUSA Building, Dr. Ambedkar Government Arts College(Autonomous),Vyasarpadi, Chennai-39
Number of Schools Registered	: 5
Number of Teams Participated	: 11

In commemoration of the Golden Jubilee Year (1973-2023) of Dr. Ambedkar Government Arts college (Autonomous), Vyasarpadi, Chennai – 39, Tamilnadu, India, PG and Research Department of Mathematics organized a one day 'Maths Exhibition for School Students' inviting school students, studying in 9th to 12th std , from Schools in the vicinity of our college , titles of the exhibits being

1. Mathematics in day to day life.
2. Role of Mathematics in Tamil Language.
3. Short-cut methods in Arithmetics.

Three staff members from the department Dr. K. Thulukkanam, Assistant Professor of Mathematics, Mr. K. Saravanan, Assistant Professor of Mathematics, and Mrs. D. Kalpana, Assistant Professor of Mathematics took charge as Organizing Secretaries for the program.

The exhibition was unveiled by our beloved Principal Dr. R. Sumathi.

The program started with an invocation song followed by an outline of the importance of the exhibition, its rules and regulations.

Eleven teams from among five schools took part in the exhibition.

All the participated teams have exhibited their beautiful, intriguing, models on the above said three topics.

Staff & students from various departments of our college visited the exhibition, observed all the displayed models, appreciated and encouraged the participants

Laudable were their works and explanations.

Meanwhile, to encourage and motivate the students, short videos on lives and works of great Indian Mathematicians like, Srinivasa Ramanujan, Sheshadri, C.R. Rao, etc., were projected on wide screen.

A team of judges comprising Dr. O.S. Babu, Associate Professor of Mathematics, Dr.A.R.Ragavan, Associate Professor of Mathematics and Dr. G. Sekar, Assistant Professor of Computer Science, have carefully observed the displayed models, lend their ears to the explanations of models by the participant students, raised doubts, posed questions with regard to the objectives and usefulness of the displayed models, and sought clarification from the students.

After carefully, consolidating the score cards of different judges, first three prize winning teams were selected,

First Prize

– Municipal Higher Secondary School, Avadi.
(Team members : J. Priyakumari – IX C, S. Gokulnath – IX B)

Second Prize

– Municipal Higher Secondary School, Avadi. (2 - Teams)
(Team 1 members : S. Mohamed Farooq - IX B, A. Mohammed Riyaz - IX C
Team 2 members : R. Devendran - IX B, N.T. Lingesha - IX C, M.H. Prakash - IX C)

Third Prize

– Government High School, Manali Newtown
(Team Members : E.K. Janani - IX C, K. Priyadarshini - IX B, R. Dharshini - IX B,
R. Bhavani - IX B)

After this, the much awaited prize distribution session began with a welcome address by Dr.A.Sarajini, HOD of Mathematics, followed by the presidential address by our Principal Dr. R. Sumathi.

In her presidential address, she praised the initiation of the department to organize the exhibition in commemoration of Golden Jubilee Year, which also served as an outreach program. She appreciated all the students participants and encourage them to take part in many such programs and carry home the laurels.

Winners were announced by the team of judges and prizes & certificates were handed over to the respective winning teams by our Principal. Besides the winners, as a mark of appreciations, other participant students were also distributed consolation prizes & certificates.

Dr. K. Thulukkanam, Assistant Professor of Mathematics and Organizing Secretary, proposed a vote of thanks.

The program ended with National Anthem.

In commemoration of the Golden Jubilee Year (1973-2023) of Dr. Ambedkar Government Arts college (Autonomous), Vyasarpadi, Chennai – 39, Tamilnadu, India, PG and Research Department of Mathematics contemplated a one day International Conference (in Hybrid Mode) in collaboration with DST and TANSCH in the month of March 2023, inviting research papers from varied fields of Pure and Applied Mathematics, arranging talks by foreign and Indian speakers on the occasion and releasing proceedings of the conference.

This has materialized with the approval from the Principal and the date of the event fixed as **24.03.2023**, with the title of the conference as “Global Trends and Subtleties in Contemporary Mathematical Research”, and acronymed IGCMR’23. Associate Professor and HOD of Mathematics, Dr.A. Sarojini took charge as Convenor of the Conference, Dr. K. Thulukkanam, Assistant Professor of Mathematics, took charge as Organizing Secretary of the Conference and all other staff members of Mathematics Department,

- 1) Dr.O.S.Babu, Associate Professor of Mathematics
- 2) Dr.A.R.Ragavan, Associate Professor of Mathematics
- 3) Dr.J.Desdemona Kirubhavathi, Associate Professor of Mathematics
- 4) Dr.S.Karthigeyan, Assistant Professor of Mathematics
- 5) Dr.M.K.PurushothKumar, Assistant Professor of Mathematics
- 6) Mr.K.Saravanan, Assistant Professor of Mathematics
- 7) Mrs.D.Kalpana, Assistant Professor of Mathematics
- 8) Dr.G.Palani, Assistant Professor of Mathematics
- 9) Dr.D.K.Shirley Gloria, Assistant Professor of Mathematics
- 10) Mrs.J.Gnanambigai, Guest Lecturer

agreed to act as members of the Organizing Committee.

Following three speakers were invited as resource persons.

1. Dr. Balachandra Pattanaik
Professor, Department of Electrical and Computer Engineering,
College of Engineering and Technology,
Wallaga University, Nekemte, Ethiopia, Africa.
2. Dr. Balamurugan B.J.
Associate Professor, Department of Mathematics,
VIT University, Chennai.
3. Dr. Vijayakumar P
Professor of Mathematics and Controller of Examinations,
GIET University, Gunupur, Odisha.

Brochure for the event, inviting researchers and academicians for participation and presentation of papers in the fields of Algebra & Analysis, Graph Theory, Differential Equations, Mechanics & Fluid Dynamics, Fuzzy sets & Applications, Computational Mathematics, Numerical Analysis, Operations Research, Stochastic Process, Topology, etc., was widely circulated among various Higher Educational Institutions world over.

Various committees were formed within the Department for smoothly carrying out Conference related works.

Dr. G. Ramesh, Assistant Professor of Chemistry volunteered and extended an helping hand in arranging Online Registrations, Online Presentations, getting ISBN for the Conference Proceedings, and in issue of Certificates. Dr. G. Ramachandran, Assistant Professor of Chemistry, supported in seeking collaboration from TANSCH and DST , and in arranging sponsorships.

There was an overwhelming response from the researchers and students. Totally 132 have registered, of them, 84 have presented papers (offline - 26, online - 58) 30 have just participated (offline – 25, online – 05). Registrations went on till 19.03.2023. Abstracts were reviewed by expert panel for accepting papers.

Dr. Thirusangu K, Principal (incharge), HOD of Mathematics, Dean (Research & Development), S.I.V.E.T. College, Chennai, has been invited to inaugurate the conference and release the conference proceedings.

On 24.03.2023 the conference began with a huge presence of researchers, academicians, students and professors of our college. The conference was unveiled with an invocation followed by lighting of Kuthuvillaku. Dr. A. Sarojini, Convenor IGCMR' 23 and HOD of Mathematics, delivered the welcome address. Dr. K. Thulukkanam, Organizing Secretary IGCMR' 23, explained the objectives of the conference. Our beloved Principal Dr. R. Sumathi presided over the conference with her presidential address and the guests were honoured with mementoes and shawls. Following this Dr. A.R. Ragavan,

Associate Professor of Mathematics, introduced the chief guest. After this, chief guest inaugurated the conference with a beautiful inaugural address and released the conference proceedings (the compilation of all Abstracts with necessary ISBN), the first copy of which was received by the Principal.

As scheduled, the technical session's, session – 1 began with a talk by the resource person Dr. Balamurugan B.J., Associate Professor, Department of Mathematics, VIT University, Chennai, on "QSPR Analysis of Physicochemical and ADMET properties of Drugs through Topological Descriptors of Molecular Graphs".

In session – 2, the foreign resource person Dr. Balachandra Pattanaik, Professor, Department of Electrical and Computer Engineering, College of Engineering and Technology, Wallaga University, Nekemte, Ethiopia, Africa, delivered a talk on "Recent Trends and Technologies in Mathematics".

In session – 3, researchers presented the papers. Online and offline presentations took place in different halls with Chairpersons as

- 1) Dr. Annamma, Assistant Professor of Mathematics, LNG College, Ponneri.
 - 2) Dr. Lavanya, Assistant Professor of Mathematics, Bharathi Womens College, Chennai.
 - 3) Dr. Ratnakumari, Assistant Professor of Mathematics, LNG College, Ponneri.
 - 4) Dr. N. Sundaram, Assistant Professor and HOD of Statistics, Govt. Arts College for men, Nandanam,
and Co-Chairpersons as
- 1) Dr. A.R. Ragavan, Associate Professor of Mathematics, Dr. Ambedkar Government Arts college.
 - 2) Dr. O.S. Babu, Associate Professor of Mathematics, Dr. Ambedkar Government Arts college.
 - 3) Dr. G. Palani, Assistant Professor of Mathematics and Additional Controller of Examinations, Dr. Ambedkar Government Arts college.
 - 4) Dr.D.K.Shirley Gloria, Assistant Professor of Mathematics, Dr. Ambedkar Government Arts college.

After session – 3, Honourable Member Secretary of TANSCH Dr. S. Krishnasamy, graced the occasion, gave an inspiring speech, appreciating our initiative, and motivating students, teachers and researchers to involve themselves in active research and march forward to higher echelons of research.

With this the forenoon session came to an end, and Dr. D. Kalpana, Assistant Professor of Mathematics, Dr. Ambedkar Government Arts college, proposed a vote of thanks.

After the lunch break, the afternoon session (Technical session – 4) began with a talk by the resource person Dr. Vijayakumar P, Professor of Mathematics and Controller of Examinations, GIET University, Gunupur, Odisha, on "Application of Graph Labelling in Cryptography".

This was followed by session – 5, with paper presentations.

Dr. D.K.Shirley Gloria, Assistant Professor of Mathematics, Dr. Ambedkar Government Arts college, proposed a vote of thanks for this afternoon technical session.

After the end of technical session, valedictory began with a felicitation by the resource person Professor P. Vijayakumar. Following this, participants gave their valuable feedback.

Dr. K. Thulukkanam, Organizing Secretary IGCMR' 23, proposed a vote of thanks, and assured the participants/paper presenters of online certificates on submitting their feedback forms (Google forms).

The program ended with National Anthem.
